Maison de maître 267 Saint-Savournin

Saint-Savournin - Village center - Master house T 4/5 on a plot of approximately 745 m² with a swimming pool, large garage, and numerous outbuildings. Built in the early 1900s and meticulously maintained, it boasts all the charm of the past: high ceilings, generous spaces, and an authentic atmosphere. On the ground floor, you'll find a living room with a fireplace, an office area, a kitchen, a veranda, and a WC. Upstairs offers three spacious bedrooms, a walk-in closet, two bathrooms, and a second WC. Outside, the garden is divided between a pleasant terrace, the heated semi-inground pool, the winter greenhouse, and the pavilion. About 80 m² of outbuildings complete the property: laundry room, workshop, garage, wine cellar... Heating is provided by a new heat pump, and there is also a working well on the property.
